Provided that no deduction shall be allowed under this section in respect of—

(*a*) any machinery or plant installed in any office premises or any residential accommodation, including any accommodation in the nature of a guest-house;

(*b*) any office appliances or road transport vehicles;

(*c*) any ship, machinery or plant in respect of which the deduction by way of development rebate is allowable under section 33; and

(*d*) any machinery or plant, the whole of the actual cost of which is allowed as a deduction (whether by way of depreciation or otherwise) in computing the income chargeable under the head "Profits and gains of business or profession" of any one previous year.

(*2*) The ship or aircraft or machinery or plant referred to in sub-section (*1*) shall be the following, namely:—

(*a*) a new ship or new aircraft acquired after the 31st day of March, 1976 by an assessee engaged in the business of operation of ships or aircraft;

(*2*) an industrial undertaking shall be deemed to be a small-scale industrial undertaking, if the aggregate value of the machinery and plant (other than tools, jigs, dies and moulds) installed, as on the last day of the previous year, for the purposes of the business of the undertaking does not exceed ten lakh rupees; and for this purpose the value of any machinery or plant shall be,—

(*a*) in the case of any machinery or plant owned by the assessee, the actual cost thereof to the assessee; and

(*b*) in the case of any machinery or plant hired by the assessee, the actual cost thereof as in the case of the owner of such machinery or plant.

(*3*) Where the total income of the assessee assessable for the assessment year relevant to the previous year in which the ship or aircraft was acquired or the machinery or plant was installed, or, as the case may be, the immediately succeeding previous year [the total income for this purpose being computed after deduction of the allowances under section 33 and section 33A, but without making any deduction under sub-section (*1*) of this section or any deduction

under Chapter VIA] is *nil* or is less than the full amount of the investment allowance,—

(*i*) the sum to be allowed by way of investment allowance for that assessment year under sub-section (*1*) shall be only such amount as is sufficient to reduce the said total income to *nil;* and

(*ii*) the amount of the investment allowance, to the extent to which it has not been allowed as aforesaid, shall be carried forward to the following assessment year, and the investment allowance to be allowed for the following assessment year shall be such amount as is sufficient to reduce the total income of the assessee assessable for that assessment year, computed in the manner aforesaid, to *nil*, and the balance of the investment allowance, if any, still outstanding shall be carried forward to the following assessment year and so on, so, however, that no portion of the investment allowance shall be carried forward for more than eight assessment years immediately succeeding the assessment year relevant to the previous year in which the ship or aircraft was acquired or the machinery or plant was installed or, as the case may be, the immediately succeeding previous year.

Explanation.—Where for any assessment year, investment allowance is to be allowed in accordance with the provisions of this sub-section in respect of any ship or aircraft acquired or any machinery or plant installed in more than one previous year, and the total income of the assessee assessable for that assessment year [the total income for this purpose being computed after deduction of the allowances under section 33 and section 33A, but without making any deduction under sub-section (*1*) of this section or any deduction under Chapter VIA] is less than the aggregate of the amounts due to be allowed in respect of the assets aforesaid for that assessment year, the following procedure shall be followed, namely:—

(*a*) the allowance under clause (*ii*) shall be made before any allowance under clause (*i*) is made; and

(*b*) where an allowance has to be made under clause (*ii*) in respect of amounts carried forward from more than one assessment year, the amount carried forward from an earlier assessment year shall be allowed before any amount carried forward from a later assessment year.

(*4*) The deduction under sub-section (*1*) shall be allowed only if the following conditions are fulfilled, namely:—

(*i*) the particulars prescribed in this behalf have been furnished by the assessee in respect of the ship or aircraft or machinery or plant;

(*ii*) an amount equal to seventy-five per cent. of the investment allowance to be actually allowed is debited to the profit

and loss account of the previous year in respect of which the deduction is to be allowed and credited to a reserve account (to be called the "Investment Allowance Reserve Account") to be utilised—

(*a*) for the purposes of acquiring, before the expiry of a period of ten years next following the previous year in which the ship or aircraft was acquired or the machinery or plant was installed, a new ship or a new aircraft or new machinery or plant [other than machinery or plant of the nature referred to in clause (*a*), (*b*) and (*d*) of the proviso to sub-section (*1*)] for the purposes of the business of the undertaking; and

(*b*) until the acquisition of a new ship or a new aircraft or new machinery or plant as aforesaid, for the purposes of the business of the undertaking other than for distribution by way of dividends or profits or for remittance outside India as profits or for the creation of any asset outside India:

Provided that this clause shall have effect in respect of a ship as if for the word "seventy-five", the word "fifty" had been substituted.

Explanation.—Where the amount debited to the profit and loss account and credited to the Investment Allowance Reserve Account under this sub-section is not less than the amount required to be so credited on the basis of the amount of deduction in respect of investment allowance claimed in the return made by the assessee under section 139, but a higher deduction in respect of the investment allowance is admissible on the basis of the total income as proposed to be computed by the Income-tax Officer under section 143, the Income-tax Officer shall, by notice in writing in this behalf, allow the assessee an opportunity to credit within the time specified in the notice or within such further time as the Income-tax Officer may allow, a further amount to the Investment Allowance Reserve Account out of the profits and gains of the previous year in which such notice is served on the assessee or of the immediately preceding previous year, if the accounts for that year have not been made up; and, if the assessee credits any further amount to such account within the time aforesaid, the amount so credited shall be deemed to have been credited to the Investment Allowance Reserve Account of the previous year in which the deduction is admissible and such amount shall not be taken into account in determining the adequacy of the reserve required to be credited by the assessee in respect of the previous year in which such further credit is made:

Provided that such opportunity shall not be allowed by the Income-tax Officer in a case where the difference in the total income as proposed to be computed by him and the total income as returned by the assessee arises out of the application of the proviso to sub-section (*1*) of section 145 or sub-section (*2*) of that section or the omission by the assessee to disclose his income fully and truly.

(5) Any allowance made under this section in respect of any ship, aircraft, machinery or plant shall be deemed to have been wrongly made for the purposes of this Act—

(*a*) if the ship, aircraft, machinery or plant is sold or otherwise transferred by the assessee to any person at any time before the expiry of eight years from the end of the previous year in which it was acquired or installed; or

(*b*) if at any time before the expiry of ten years from the end of the previous year in which the ship or aircraft was acquired or the machinery or plant was installed, the assessee does not utilise the amount credited to the reserve account under sub-section (4) for the purposes of acquiring a new ship or a new aircraft or new machinery or plant [other than machinery or plant of the nature referred to in clauses (*a*), (*b*) and (*d*) of the proviso to sub-section (*1*)] for the purposes of the business of the undertaking; or

(*c*) if at any time before the expiry of the ten years aforesaid, the assessee utilises the amount credited to the reserve account under sub-section (4) for distribution by way of dividends or profits or for remittance outside India as profits or for the creation of any assets outside India or for any other purpose which is not a purpose of the business of the undertaking,

and the provisions of sub-section (*4A*) of section 155 shall apply accordingly:

Provided that nothing in clause (*a*) shall apply—

(*i*) where the ship, aircraft, machinery or plant is sold or otherwise transferred by the assessee to the Government, a local authority, a corporation established by a Central, State or Provincial Act or a Government company as defined in section 617 of the Companies Act, 1956; or

. of 1956.

(*ii*) where the sale or transfer of the ship, aircraft, machinery or plant is made in connection with the amalgamation or succession, referred to in sub-section (*6*) or sub-section (*7*).

(*6*) Where, in a scheme of amalgamation, the amalgamating company sells or otherwise transfers to the amalgamated company any ship, aircraft, machinery or plant, in respect of which investment allowance has been allowed to the amalgamating company under sub-section (*1*),—
